

Mushroom knob with male thread with low head

BCTBUSS

Hygienic Usit®

- Mushroom knob with a female thread and low head for use with Hygienic Usit® sealing washers

- The low head makes this mushroom knob ideal for manual lateral movements.
- Fully polished surface with a roughness much lower than $Ra0.8\mu m$.
- Material:

Stainless steel 1.4404 (316L)

Mirror polished finish

Advantages

- Regardless of the mounting position of the mushroom knob, dirt and residue from product or cleaning material will not adhere. This guarantees easy cleaning.
- USIT® Hygienic sealing washers are used to seal the screwed connection.
- The base of the mushroom knob is specially designed to ensure an almost cavity free seal thus meeting hygiene requirements.

Accessory

- RDE sealing washers (see pages 37 - 39)
