Combination spanner

Hygienic Usit® and Hygienic Design® CMHD

 Combination spanner to be used with protective inserts for mounting Hygienic Usit® and Hygienic Design® products

- Materials:

Spanner: Tool steel Inserts: AlSi1MaMn

Advantages

- The protective caps have been specifically designed for fastening and un-fastening screwed connections with delicate surfaces.
- The protective caps will safely avoid the risk of contact corrosion with stainless steel screwed
- The protective cap is safely held in the spanner thanks to its special form and a sprung clip.

Accessories

* Use the CM/HD/CF insert with the open-ended spanner and the CM/HD/CO insert with the ring spanner. (cf. page 62)
