

# Protective inserts for combination spanner

## Hygienic Usit® and Hygienic Design® CMHDCO CMHDCF

- Protective inserts to be used with the CM combination spanner for mounting Hygienic Usit® and Hygienic Design® products

- Material:

Inserts: AlSi1MgMn

### Advantages

- The protective caps have been specifically designed for fastening and un-fastening screwed connections with delicate surfaces.
- The protective caps will safely avoid the risk of contact corrosion with stainless steel screwed connections.
- The inserts are made of aluminium alloy EN AW 602 – a special aluminium suitable for contact with foodstuffs
- The protective cap is safely held in the spanner thanks to its special form and a sprung clip.
