Floway2® roller track and basic support

RAG-FLOW2

Principal of operation

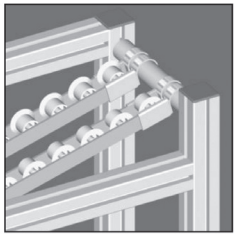

- ***The Floway-2® roller track allows storage systems to be created for plastic boxes or cardboard cartons***

Support

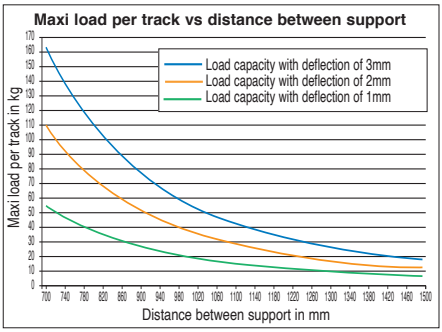

- *For easy installation of roller tracks*
- *Suitable for use in gravity feed conveyors*
- *Material:*
  Electro-galvanised steel

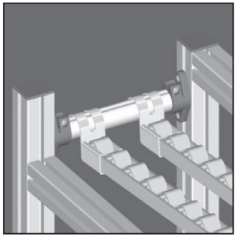

Assembly

- *Slide the roller track into the end support*
- *Position the complete assembly on the supporting structure*
- *Track can be locked in place using a screw (tapped hole to be drilled on site)*

Basic support

Support with stop

Floway2® roller track and basic support

For transporting and storage

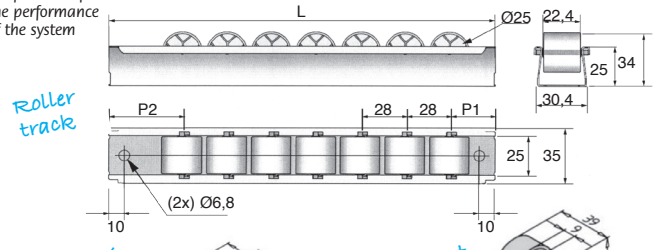

RAG-FLOW2

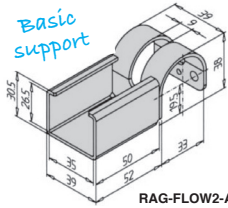

- ***High density polyethylene roller***
- *Chromed steel guide (no deformation under load)*
- *Rollers rotate on steel axles*
- *Colour: Black*

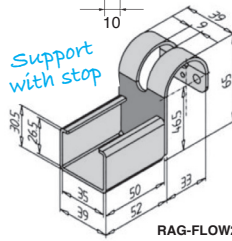

Special Features

- *The possibility of being able to stagger the position of the rails increases the performance of the system*
