

# Floway2® roller track and basic support

## RAG- FLOW2

### Principal of operation

- The Floway2® roller track allows storage systems to be created for plastic boxes or cardboard cartons

### Support

- For easy installation of roller tracks
- Suitable for use in gravity feed conveyors
- Material:  
Electro-galvanised steel

### Assembly

- Slide the roller track into the end support
- Position the complete assembly on the supporting structure
- Track can be locked in place using a screw (tapped hole to be drilled on site)

Basic support

Support with stop
