

T-Clip - Aluminium profile attachment

TCL

- A T-Clip comprises one insert and one key

- Resistance:

Tear strength: 9Kg

To slipping: 5kg

Advantages

- Allows components to be instantly mounted on an aluminium profile without the need of any tools.
- There are many standard accessories available but any component into which a 15mm diameter hole can be drilled to receive the T-Clip, may also be attached.

Info.

- Not sold individually, please contact us for details
